NEWS LETTER #3

L.A. Daiku
Mitsuba Ensemble
Taiwanese Imozuru Chorus

Thank you for joining our first joint practice held at the United Methodist Church in West L.A. We hope all of your members enjoyed singing together with other groups.

This is a story I have heard from a church member after the practice that many people who were passing by outside of the church stopped walking and was eagerly listening to our singing. Wasn't it a wonderful news for us !

We understand you have received flyers and tickets for the concert after the practice. Please distribute the flyers to your family and friends and ask them to come to our concert. There are altogether 2,000 seats in the Marsee Auditorium including second floor. Please let us know, if you need additional tickets.

To: Taiwanese Imozuru Chorus

We are preparing special flyers for your group, which is included Taiwanese letters for your society. Please wait for a while.

Sponsorship:

We are now asking individual sponsorship for the concert. This would be very helpful for performing this Choral Festival successfully from the financial point.

Sponsor's name will be recognized in the program. As we will prepare an entry sheet for this sponsorship and distribute you, your consideration would be highly appreciated.
